GEN. HILL EVACUATES NACO LATE THIS AFTERNOON AND STARTS FOR AGUA PRIETA

CLAIMS MORE REVENUE AT AGUA PRIETA FROM BIG MIN- ING COS.—NONE AT NACO

DOUGLAS, October 17.—The Constitutional head-
quarters in this city today received notification from General
Hill, in charge of the Constitutional forces who are holding
Naco against the attack of Maytorena's Yaquis at the present
time, to the effect that he will evacuate Naco immediately
and will march to Agua Prieta. He expects that he will have
to fight his way through the lines of the Yaquis. He stated
that his forces will be divided in three columns, one-half of
the cavalry marching in front, the infantry in the center, and
the remainder of the cavalry in the rear. He gives for his
reason of evacuating Naco, that the mines at that place are
not in operation and therefore no customs or revenue benefit
is being derived from that port. The port of Agua Prieta
handles 1,500,000 pesos monthly.

3 CIVILIANS AND 4 U.S. SOLDIERS HIT BY MEXICAN BULLETS ON THIS SIDE OF THE BORDER

NACO, October 17.—Four American troopers and three
civilians were injured last night by bullets coming across the
line from the contending forces at Naco, Sonora. Two of
the cavalrymen will probably die of wounds received and one
civilian will die. The battle opened about 12 o'clock last
night and ended about 7:30 this morning, with positions un-
changed. It was one of the sharpest encounters yet engaged
in by the two forces.

BULLETINS

PARIS, October 17.—Desperate fighting both in Bel-
gium and France is in progress today according to information
from the front from General Gallieni, in command of the de-
fense of Paris. The war office announced considerable gains
and the taking of Fleur Paix. The general situation is un-
changed.

BERLIN, October 17.—The German forces in Belgium
have effected a joint with the German right wing in France,
and a general advance is in progress all along the line in the
vicinity of Noyon and Noye, was the war bureau declaration
today.

PETROGRAD, October 17.—The Germans in Russian
Poland have been defeated after an 11 days' battle before
Warsaw, and they are perilously near a complete rout, was
the war office assertion today.

LONDON, October 17.—"No truth," declared the war
bureau today, "in the reports that any vessels in our navy
have met disaster." Despite the official announcement, the
report is current that the cruisers Invincible and Terrible were
sunk yesterday.

BERLIN, October 17.—A British Bristol aeroplane
containing two high English army officers was hit by a Ger-
man shell today and forced to descend in Peronne. Col. Gray
brother of Foreign Minister Gray of England, was one of
the two officers captured.

Democratic Rally For Tombstone

The Democratic county candidates
will speak at the Borderland Theatre
Monday evening, according to an-
nouncement received in Tombstone
late this afternoon. Several of the
prominent speakers and candidates
will address the Tombstone public on
the various issues, among them Judge
A. O. Lockwood, candidate for re-elec-
tion, J. F. Ross candidate for county
attorney, and W. P. Sims candidate for
state senator. A genuine political
rally is to be held, and candidates from
all parts of the county will be present
at the meeting.

HARRY ROSS CAMPAIGNING FOR TREASURER

Deputy Assessor Harry S. Ross left
today for Light, Whitewater, Pearce
and other valley towns to be gone sev-
eral days on a campaigning trip. Mr.
Ross is a candidate for the office of
treasurer and is the Democratic nomi-
nee for the place. He has been
deputy assessor for Assessor Hughes
for the past three years, and prior to
that was deputy under Chas. Howe,
who is now a member of the state tax
commission. Mr. Ross is an official
of recognized ability, and seeks the
office in his merits and is confident
of victory.

CUMMINGS CAMPAIGNING FOR SUPERVISOR

C. L. Cummings, republican candi-
date for the office of supervisor from
Tombstone made a short trip to Ben-
son today on campaign matters and
to look over his interests there in the
race. Mr. Cummings is one of the old
time residents of Tombstone, own-
ing property here and in the county
and is one of the heaviest taxpayers.
He is known for his business integrity
and dealings and promises to conduct
the county business as well as in his
own. His announcement appears in
these columns.

LOOKING BACKWARD TWENTY-FOUR YEARS

Interesting Items That Appeared In the "Prospector" Twenty-four Years Ago --Brings Back "The Days of Old"

FROM OUR FILES OF THIS DATE, 1890

J. P. McAllister says that he will not
go away from his office this fall to
make a canvass for re-election. The
law requires him to stay there certain
hours and he is not anxious to turn
over the entire business to a deputy
while he is galivanting around the
county for votes.

One man with a revolver can hold
up a dozen men unarmed, whether it
be in Colorado or New York. Repeat-
ed tests have proved this, but when it
comes to getting away after the crime
that's a different thing. That's where
the shotgun beats the revolver.

If "Our George" Cheyney, will give
bonds to come back to Cochise county
after the next session of congress ad-
journs he will make a number of votes
which will be cast against him other-
wise. George is too good a fellow to
lose and his friends are afraid that if
he moved to Washington he would
never move back again.

Gen. Wilson and Judge Ferguson,
of Tucson, and Judges Stillwell and
Swain, of Tombstone, will address the
people of Wilcox on Monday next.

A region paved with "good inten-
tions," can't be much worse than
Tombstone cobble pavement.

Oh, our ard, how tired the taxpay-
ers are of hearing fellows who bear
no public burdens talk against the
yeomanry of the land.—Prescott

REGULATIONS RELATING TO ARIZONA GAME

Copies of the game regulations re-
garding the hunting of migratory
birds within the state of Arizona have
been received by Deputy Game Ward-
en Frank Willard of this city. The
regulations provide that there shall be
a daily closed season lasting from sun-
down until sun up. Dove, quail and
duck season is now open in this state,
and many nimrods are out daily after
these migratory birds, and according
to the regulations those caught shoot-
ing these birds after sundown or be-
fore sun up can be punished with a
heavy fine for violation of the law.
Hunting licenses are being issued
gladly by Clerk Karger of the super-
visors office, and since the opening of
quail and duck season on the 15th the
office has been busy issuing licenses
for out of town as well as for local
nimrods. Tomorrow being Sunday,
many will go out after the birds, and
today there is not available in the
city any kind of conveyance, all hav-
ing been engaged by different hunting
parties, who expect to bring in "the
limit," which is 25 in one day to each
person.

HOW WHEELER'S FRIENDS STAND LOYAL TO HIM

The following taken from the Dou-
glas: Intentional of yesterday goes to
show how Sheriff Wheeler's friends
stand loyally by him:
"Mr. Slaughter declared that it was
his desire to cast his ballot for Harry
Wheeler, who has made such an ex-
cellent record as sheriff of Cochise
county. It is Mr. Slaughter's desire
that Mr. Wheeler shall be re-elected;
he does not consider that he is in any
danger, but he expects to add one to
his majority by his vote."

JUDGE MURPHY RETURNS FROM CAMPAIGN TRIP

County Recorder Owen E. Murphy,
returned home this morning from
Bisbee where he has been for the past
few days on a visit. Judge Murphy
is a candidate for re-election on the
Democratic ticket to the office which
he has held for the past term. He
has made a good official in the ca-
pacity of recorder. He is an old timer
of the county, and has many friends
who will support him in the coming
election. He received last election in
1911 the highest vote of any candidate
on the ticket. His announcement
is in our column.

CLERK OF COURT J. E. JAMES IS CAMPAIGNING

Clerk J. E. James of the Superior
court returned home today from a
campaign visit of several weeks, dur-
ing which time he visited Bisbee,
Douglas and the Sulphur Spring val-
ley towns. Mr. James has made a
worthy official since his election in
1911, is highly efficient and competent
and asks reelection on his past record
in the office. He reports chances at
his reelection looking good throughout
the county, and his announcement
will be found in another column.

ZANDER WINS MANDAMUS FIGHT IN COURT

PHOENIX Oct 17.—Sustaining the
demurrer signed by Attorney General
Geo. F. B. Harj and Frank H. Lyman
as against the application for tem-
porary alternative writ of mandamus,
Judge John C. Phillips in the Maricopa
county superior court yesterday, dis-
missed the contention of the Repub-
licans made to place the name of
Thomas E. Campbell at the head of
the list of candidates for the next tax
commission and assessed the cost of
the suit against the losers.
